

LED String Lite® 120 - 20m

Predecessor: 018-310
MKI019310

Description

Product description

The 230 V String Lite® is available in lengths of 12m and 20m. The light string features points of light fixed directly to the light cable. A string is generally made up of multiple segments. By means of the patented Quick-Fix® system, up to 10 light strings may be connected together without any problems. Each light string shines with 120 patented LED points of light. Each segment can be individually replaced.

Decoration solutions

Depending on the decoration object, String Lites® give an atmospheric and fun impression, at the same time. This light string can easily be wrapped around columns and is perfectly suited for the decoration of large areas, as hanging decoration, e.g. across corridors and halls, for the creation of motifs, and as outline decoration of areas. The LEDs, as well as the light cable, are available in various colors.
