BAI Spiraled Basic ST64 E27 5W 2200K Clear 300lm (28W) 230V-240V 360D 64x146mm LED Filament lamp

With the Spiraled Basic series, Bailey offers LED filament lamps with the same appearance as the original Spiraled series but at a lower price. This is possible because, in contrast to the original, this series is not dimmable and is less high-quality in terms of lighting technology. They are of course energy efficient and have a long lifespan. Spiraled is a protected brand name.
