

## LED GU10 230V 18-LED 1W Red Dimm

Bailey nr.: 142049

With the BaiColour LED Lamp, Bailey once again shows how beautiful and versatile LED light sources can be. The light in these special vase-shaped lamps is nicely evenly distributed. This combination of round shapes with “softone” light gives the whole a very stylish appearance. When the lamps are “off”, the milky white smooth glass in combination with the shape forms a graceful whole.
